

An International Railway Network at your service

In Norway CargoNet operates up to six shuttle trains every working day on each line. CargoNet runs 372 trains a week in Norway and Sweden.

11 Intermodal terminals in Norway

Intermodal trains in shuttle traffic between Oslo and terminals in Drammen, Kristiansand, Stavanger, Bergen, Åndalsnes, Trondheim, Mo i Rana, Fauske, Bodø, and Narvik.

10 Intermodal terminals in Sweden

Intermodal trains in Sweden serve the terminals in Luleå, Umeå, Sundsvall, Gävle, Hallsberg, Stockholm, Nässjö, Gothenburg, Malmö, and Trelleborg.

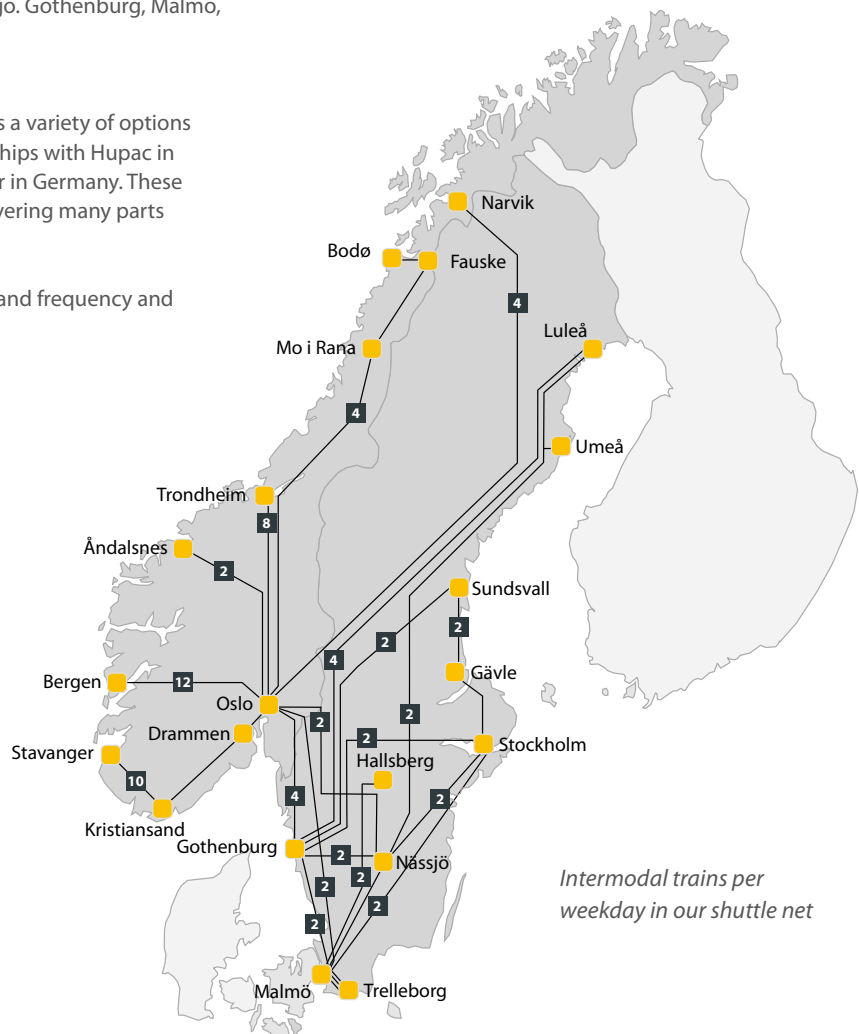

Intermodal terminals in Europe

The wide spread Scandinavian network gives a variety of options to and from the continent. We have partnerships with Hupac in Switzerland and Italy and with Kombiverkehr in Germany. These companies operate their own shuttle net covering many parts of Europe.

Timetables are characterized by high speed and frequency and are adapted to the international market.

CargoNet shuttle net:
